

You might remember in the last newsletter that we said Club would be closing in July, well, obviously it won't, but we do need more help. Some of the current committee have done their service and need to step down as their children move on.

Evesham Swimming Club is a volunteer run organisation and we have a statutory obligation to have certain Officers in place. Without these the club is not allowed to operate.

We understand that everyone is really busy these days. Many of the committee are also business owners, school governors or club leaders, so they know what it is like juggling lots of priorities, but they do find a bit of time each month to help run the club.

If your child is competing and getting a lot from the club, we would ask you to consider giving up a bit of time to ensure that the club continues to run smoothly and supports the children. This is both from raising of funds, but also from the administration of a club point of view.

The committee will be at training on Monday night ready to discuss how you might get involved. Please do come and speak to us. We are aware that we may appear unapproachable, but really we are often just attending to swimming club business. Also, don't forget, that we are all friends as our children have grown up through the squads together and we have spent many hours 'on poolside' or helping to organise the club, so we are really just catching up on the latest news!

We would be grateful of any help you can offer the club.

We look forward to seeing you on Monday.

Mirren (Chairman) and Kathryn (Secretary)
