

EVESHAM SWIMMING CLUB

(AFFILIATED TO WORCESTER COUNTY AND MIDLAND DISTRICT ASA)

Swim Card Membership

This category of membership of ESC is offered to:

1. Students from Year 10 onwards, or living away from the area for the majority of the year but who would like to train at the club during holiday periods.
2. Swimmers with medical conditions that the Committee agree warrant taking advantage of the Swim Card scheme.
3. Masters, under exceptional circumstances, at the discretion of the Committee, who are only able to swim infrequently due to work commitments.
4. Swimmers for whom Evesham is a second club
5. Members of other sports club *at an elite level*, e.g. Tri-club, rowing, and football for example, who use ESC as part of their training regime.

Swim Card Membership is offered at the discretion of the ESC Committee. It will be reviewed quarterly to ensure that it is not proving detrimental to full club members.

Swim Card members will be charged the annual club membership fee payable in June. They will need to maintain their ASA registration, payable in January, whether this is through ESC or elsewhere if they are multi-club members.

Swim Card Members will be required to purchase, in advance, a block of ten training sessions for £35.00. The cardholder can use these sessions as required, but within the restrictions outlined below, depending on the squad to which they belong. The sessions will be issued as a pass, which must be signed off by the coach running each session attended. The individual should ensure that they are entered on the register for any sessions they attend. **No Card means no swim.**

Restrictions Linked to Swim Card Membership

1. There must be sufficient space within the appropriate squad for the applicant at the point of issue of the Swim Card. As soon as the squad becomes full, then the Committee reserve the right to refuse renewal of the Swim Card once the ten session block has been completed.
2. Membership may be withdrawn should the behaviour of the swimmer adversely affect the full members of Evesham Swimming Club.
3. Swim Card Membership excludes access to Land Training on a Monday evening. This is limited to full ESC members only.
