**Gala Information**

If you are chosen for a gala ...congratulations and don't panic! You will need an ESC costume/trunks, hat, red polo shirt and blue shorts, all available from the swim shop. Swim shop order forms are by the notice board and swim shop is at the leisure centre on the first Monday of every month, 6.30pm – 8.00pm. An order form is also on the website.

A gala list will appear on the notice board, asking you to tick your availability and telling you the time of the coach departure or whether you have to make your own arrangements. A fee is charged for swimmers and parents who travel on the coach, to cover hire costs.

Make sure you have your ESC kit, food, drink, goggles and towel.

Parent supporters are very, very welcome; our swimmers love to be cheered on!

Don't forget to record your times in a swimmers log book; you will be amazed at how quickly you beat your own record ... again and again.

Logbooks can be purchased from swim shop.

Evesham swimmers have been complimented on their good behaviour, the swimmers represent the club and therefore good behaviour is expected.

Enjoy the galas!

So, to keep up to date please regularly read the two notice boards, and look on the website. This will help you to note important dates and keep up with what is going on.

**So enjoy swimming, supporting, helping and being part of Evesham Swimming Club.**
