Evesham Swimming Club was reformed in 1978 when the new pool opened in Davis Road Evesham. Two Olympians are amongst our honorary members, Roland Lee and Joanne Deakins.

The club regularly competes in various Galas and has enjoyed some spectacular wins. We participate in County competitions and some of our swimmers have achieved Midland District and even National times. We hold Intra Club Galas to enable up to date swim times to be kept for swimmers to track their development and enable choices to be made for competitions. There is also the summer and winter championships, which give swimmers competitive practice and offer them the opportunity to achieve personal bests.

Children are split into squads appropriate to their level.

**Training times are as follows; these times are subject to change please see notice board.**

**For training swimmers need their full kit, goggles, fins, kick board, pull buoys and a drink.** Fees are collected by monthly standing order. Payment rates and processes are subject to review at the AGM held in June.

The more training the swimmer does the better they will become.

### **Evesham Swimming Club Mission Statement:**

To develop each swimmers potential in a safe, enjoyable and supportive environment.
