

Evesham Swimming Club Wins 3rd Leg of the PGL league

Evesham Swimmers stepped up to the mark in round 3 of this local swimming league and secured a great win against local teams from Redditch and Worcester and Ross on Wye.

The Evesham Girls got the club off to a strong start and wins by Lucy Anderson and Helen Jubb helped give the club an early lead. Further success from the girls was seen with the 10 years medley relay team made up from Charlie Annis, Izzy Davis-Gaines, Jasmine Lymn, and Eleanor Hanby.

Not to be out done, the boys also made significant contributions to the points that were secured and the 10 year old boys medley team, made up from Thomas Maxted, Oliver Denning, Thomas Perry, James Waller showed great strength in also winning their race.

Particularly pleasing was the performance of the youngest swimmers who also gained maximum points from mixed relay events throughout the night. The 9 year old teams of Lance Locke, Lydia Castle, Martha Bailey, Jake Tustin, Imogen Roberts, Amy Cooper, Harry Bamforth and Andrew Bowles showed great skills which shows the club is in good health for years to come.

Despite these successes, the teams remained very close going into the final stages of the competition. The last two events of the evening are the boys and girls Cannon – where the teams are made up from swimmers from each of the age groups.

The boys team was very impressive and Alex Russell swam a great last leg in securing the win – supported by Jacob Tustin, Harry Bamforth, Thomas Perry, Owen Leeks, Ben Harris, Charlie Waites, Thomas Castle, Thomas McDonald and Jonathon Hancox.

The girls team of Martha Bailey, Amy Cooper, Izzy Davis Gaines, Jasmine Lymn, Molly Hardwick, Inez Brodie, Alice Hall, Helen Jubb, Jess Bloung and Lucy Anderson were equally successful, allowing Evesham to win the overall nights competition.
